

INT. MARK'S OFFICE

RILEY

I totally disagree. This was the right decision, and you know it.

MARK

It doesn't matter, the decision was made to go with Electra.

RILEY

It's such a stupid name.

MARK

Don't you understand that we can't just make our own rules here? This matters way up the chain of command.

RILEY

Dude, what the hell happened to you?

Beat.

MARK

You know what, that's it. You're fired.

RILEY

Are you crazy?

MARK

Hand over your key card.

RILEY

Mark, what are you doing?

MARK

I'm sorry, I really am.

RILEY

This changes everything.
