INT. SURGICAL WING - ICU 2 - AFTERNOON

Henry, dressed in scrubs, walks past the stationed guard, into the ICU, and approaches Solomon who is preparing some instruments.

HENRY
(irritated)
Sol, they refused me at the door. You know, I was told to be here this morning and...

SOLOMON
Who refused you?

HENRY
Hoskin and Slater.

SOLOMON
Sorry Henry, you know that Slater has the final word.

HENRY
But why? I passed all the tests, it is preposterous at this point to assume I pose any danger.

SOLOMON
We can’t take any chances Henry.

HENRY
I didn’t cause it, Sol.

SOLOMON
You’ve got to understand that this is a routine investigation, it’s not about you personally.

HENRY
Then why am I not in there operating right now?

SOLOMON
Nobody suspects you, Henry.

Henry spies Taylor giving some fluid medication to a patient, and storms over.
HENRY  
(angry)  
What did you just do?

TAYLOR  
What?

HENRY  
That's my patient, nurse. You better have a damn good reason for what you just did.

TAYLOR  
I was taking the patient’s pulse.

HENRY  
No, you were giving her something.

TAYLOR  
Just her vitamins.

HENRY  
Tell me what you gave her.

TAYLOR  
Nothing, just the vitamins.

HENRY  
Don't you dare lie to me, I saw the whole thing!

Solomon enters.

SOLOMON  
What is going on in here?

TAYLOR  
Nothing Dr. Solomon.

HENRY  
I caught her giving something to my patient!

TAYLOR  
Only vitamins, Dr. Solomon, just the daily routine.

HENRY  
Give me the bottle.

Taylor gives him the bottle.
Henry (cont'd)
Aha! No label!

Henry races over to a pile of medical paperwork and digs through it, looking for the label.

SOLOMON
(warning)
Henry!

Henry finds a vitamin label. He gets up and slowly moves a couple of steps backwards.

HENRY
I'm sorry, I thought... Sorry nurse, will you please excuse me.

Henry turns around and leaves, embarrassed.
